

CHANGING ROOM POLICY

These guidelines apply to adults, and children (all those under 18) sharing changing facilities.

The following best practice principles have been adopted by Binfield Cricket Club:

- If children play for adult teams, they, and their parents, must be informed of the club's policy on changing arrangements.
- If children play for adult teams, the club must have consent from parents that their child(ren) can share a changing room with adults in the club.
- When children play for youth teams, the only adults allowed in the changing room should be youth team staff.
- If children are uncomfortable changing or showering at the club, no pressure should be placed on them to do so. Instead, they can change and shower at home.
- Adults **can only** change or shower, if children are **not** present within the changing room.
- Mixed gender teams must have access to separate male and female changing rooms.
- Mobile phones **must not** be used in changing rooms.
- Senior team captains must organise changing times to ensure policy is adhered to
- This policy should be displayed in all changing rooms at the club
